Attraction Rating System

To better assist you in choosing attractions you may wish to experience, each of our rides has been rated according to the following system. Ratings are based on the intensity, speed, and directional changes of each individual ride. The Attraction's rating can be found on the Fun & Safety sign at the entrance of each ride.

1 Mild Ride - This is a low speed, gentle ride intended for young children and may accommodate chaperones where permitted. Please be aware of the recommendations and restrictions for this ride.

2 Mild Thrill Ride - This is a low to medium speed ride. It has smooth transitions with some changes in elevation and speed. This ride may require some rider body control and is not intended for unaccompanied toddlers or very young children. Please be aware of the recommendations and restrictions for this ride.

3 Intermediate Thrill Ride - This is a medium speed ride where riders may encounter unexpected changes in direction and / or speed during portions of the ride. This ride requires rider body control. Please be aware of the recommendations and restrictions for this ride.

4 High Thrill Ride - This is a fast paced ride experience. Riders will encounter changes in speed, direction and / or elevation, some of which may be unexpected. This ride requires upper or full body control. This ride is not recommended for guests with physical, mental and /or medical limitations. Please be aware of the recommendations and restrictions for this ride.

5 Extreme Thrill Ride - This is a high-speed ride experience with turbulent turns and drops. Riders will encounter many rapid changes in speed, direction and / or elevation, which are unexpected. This ride requires upper or full body control. This ride is not recommended for guests with physical, mental and / or medical limitations. Please be aware of the recommendations and restrictions for this ride.

ATTENTION PARK GUESTS

- A Charperone is defined as:**
1. Be at least 16 years old,
 2. Meet the ride criteria to experience the attraction, and
 3. Ensure that the child being chaperoned remains properly seated and follows all rules and regulations of the ride.

WaterWorks Attraction Ratings

To better assist you in choosing attractions you may wish to experience, each of our rides has been rated according to the following system. Ratings are based on the intensity, speed, and directional changes of each individual ride. The Attraction's rating can be found on the Fun & Safety sign at the entrance of each ride.

 Mild Ride - This is a low speed, and/or shallow water attraction intended for closely supervised toddlers and young children. Please be aware of the recommendations and requirements for this attraction.
 Mild Thrill Ride - This is a low to medium speed attraction, and/or water depth to 48 inches. Some rider control and maneuvering and/or swimming skills required. Riders may encounter smooth transitions with some changes in elevation and speed. This attraction is not intended for unsupervised toddlers or very young children. Please be aware of the recommendations and requirements for this attraction.
 Intermediate Thrill Ride - This is a medium speed attraction and/or water depth greater than 48 inches. This attraction requires rider control and/or strong swimming skills. Physical activity may be strenuous. Riders may encounter unexpected changes in direction and speed during portions of the ride. Please be aware of the recommendations and requirements for this attraction.
 High Thrill Ride - This is a fast paced ride experience and/or deep-water attraction. This attraction requires upper or full body control and/or strong swimming skills. Riders will encounter changes in speed, direction, elevation, and/or deep water, some of which may be unexpected. This ride is not recommended for guests with physical, mental and/or medical limitations, or for guests who fear heights, high speed or enclosed places. Please be aware of the recommendations and requirements for this attraction.
