Ride Rating System

To better assist you in choosing attractions you may wish to experience, each of our rides has been rated according to the following system. Ratings are based on the intensity, speed, and directional changes of each individual ride. The Ride's rating can be found on the Safety sign at the entrance of each ride. Please be aware of the recommendations and restrictions for each ride.

Low Thrill Rides	1	Rides that are generally calm and gentle in nature.
Mild Thrill Rides	2	Rides that generally have low speeds with gentle motion and braking. Rides have smooth transitions with some changes in elevation and speed.
Intermediate Thrill Rides	3	Rides that generally have low to medium speeds and/or heights with moderate motion and braking. Riders may encounter unexpected changes in speed, direction and/or speed during portions of the ride.
High Thrill Rides	4	Rides that generally have medium to high speeds and/or heights with moderate to rapid braking. Riders may encounter unexpected changes in speed, direction and/or elevation.
Aggressive Thrill Rides	5	Rides that generally have one or more of the following: high speeds and/or heights, aggressive and unexpected forces, and rapid directional or elevation change. Riders will encounter many unexpected rapid changes in speed, direction and/or elevation.

Waterpark Ratings

Low Thrill Rides	1	This is a low speed, and or shallow water attraction.
Mild Thrill Rides	2	This is a low to medium speed attraction, and/or water depth to 48 inches. Some rider control, maneuvering and/or swimming skills required.
Intermediate Thrill Rides	3	This is a medium speed attraction. Height and water depth may vary. Moderate or unexpected forces can be generated during the ride. This attraction may require rider control and/or strong swimming skills. Physical activity may be strenuous.
High Thrill Rides	4	This is a fast paced ride experience. Riders will encounter changes in speed, direction, elevation, strong water currents, and or depth of water, some of which is unexpected. This attraction requires rider body control and strong swimming skills.
Aggressive Thrill Rides	5	This is a high speed and / or deep water attraction with turbulent turns, drops and/or strong water currents with changes in speed, direction, elevation and/or deep water, which may be unexpected. This attraction requires rider body control and strong swimming skills.

— WARNING —

For safety, you should be in good health and without recent surgery or illness and free from high blood pressure or any condition or limitation of the heart, back, neck or bones that may be aggravated by most park attractions. Expectant mothers should not ride. Please see the Safety signs at the entrance of each ride for specific health and safety guidelines.

Responsible Persons – Several attractions require that riders under a certain height be accompanied by a responsible person to ride. All responsible persons must be at least 16 years old; meet the ride criteria to experience the attraction; ensure that the child being accompanied remains properly seated and follows all rules and regulations of the attraction.
